

QUARTER MIDGETS OF AMERICA

WAIVER OF QUALIFICATION

This form is to be filled out by any member desiring to obtain a waiver from qualifying and sanctioning for the Grand National Race events. A waiver will be issued as long as this form is completely filled out, the appropriate fee paid and the following procedures are followed. A waiver is good for one driver and one class at one level of competition. Fees for waivers are in addition to all other sign-in or racing fees. All of the following procedures must be followed:

- 1. A separate Waiver Form must be filled out for each driver and class for which that driver requires a waiver. A copy (or photocopy of original) must be made, signed and given to the handler requesting the waiver. The copy must be turned in as described later.
2. The entire fee for the waiver or waivers must be collected and paid to QMA by club check, regional check or by money order only. As stated in the schedule, QMA will pay the club's portion of these fees to the appropriate club.
3. Waivers issued and monies collected prior to an event should be sent to QMA as soon as possible so that the waiver may be entered in the sanctioning book. Additionally, a completed and signed copy of the waiver must be given to the member for presentation at sign-ins at the event for which the waiver is given.
4. Waivers may be issued up to the posted or advertised time that sign-ins close at the event for which it is needed. If pre-registered cars and drivers desire a waiver, the advertised 'pre-registered' times will apply. When a waiver is issued at the event for which it is needed, the original copy should be included and paid for with the qualifying sheets. The handler's copy must be turned in as stated below.
5. If a waiver is issued and then later discovered or proven not to have been necessary, all waiver fees will be refunded.
