

# Silver City Quarter Midget Club Brickyard Victory Lane Fundraiser

Be a part of Silver City Quarter Midget Club History  
Buy a brick which will be used in the construction of the Victory Lane for the 2008 Eastern Grands.

The bricks are 8 by 4 in size and are a light grey in color. They will be stacked in rows of two and interchanged with 8 by 8 black bricks so as to make a checkered flag pattern. At the current time, only the grey bricks are able to be engraved.

The bricks will be laser engraved to ensure its durability for a lifetime. Each brick allows you 2 lines of engraving, 18 characters on each line. Celebrate your drivers championships, the years they raced at Silver City, an anniversary, a birthday or just your Race Teams Name. These could make great birthday or Christmas presents to family and friends.

For a \$50 donation, you can reserve your brick today and ensure your history with the Silver City Quarter Midget Club.

If you are interested, please fill out the opposite side of this letter and submit to Dawn LaBella along with a check made payable to Silver City Jr. Motor Sports. If you are submitting more than one brick order, please use a new form and reference rather or not you would like the bricks placed next to one another. If you have any questions, please contact Dawn at 860-841-2229 or [PDforSilverCity@aol.com](mailto:PDforSilverCity@aol.com). Orders are due no later than February 1, 2008.
